

BROOME INTERNATIONAL AIRPORT

COMMUNITY GRANTS

Broome International Airport (BIA) is pleased to launch the BIA Community Grants Program for 2024 as it continues its commitment to support the Broome Community. The BIA Community Grants Program provides funding to local organisations or events that will have a positive impact on the Broome community. BIA is now seeking expressions of interest (EOI).

HOW TO APPLY

Interested local community clubs and organisations are encouraged to apply as soon as possible using the application form available by scanning the QR code or by visiting broomeair.com.au. A detailed Sponsorship Criteria is included in the application form. To be eligible, proposals will need to address the following criteria:

- Positive outcomes for the community
- What the funding will be used for and why it is needed
- Recognition BIA will receive and how this will be reported back

ASSESSMENT OF APPLICATIONS

- BIA will consider all submissions with responses to the above criteria
- Grants are available up to \$2,000 per organisation (BIA may consider grants above this amount).
- Closing date: 9th March 2024
- Successful applicants will be contacted directly by BIA

BIA EVENTS AND SPONSORSHIP

In addition to the Community Grants, BIA are interested in sponsoring larger events and forming long-term partnerships with community and not for profit organisations in Broome.

Interested parties are encouraged to contact grantsofficer@broomeair.com.au

Organisations who have already applied to BIA will not need to resubmit
